In the interest of exploring Senior Level Management opportunities with your organization, I have enclosed my resume for your review.

Over the past twenty five years, I have gained valuable experience overseeing all aspects of domestic and global distribution, manufacturing and digital studio operations for major international entertainment organizations. Presently, as Senior Vice President of Sonic Pictures , I have generated \$100 million in new business within one year, reduced costs by \$4 million through renegotiating manufacturing contracts and performed as a key member of a senior management team developing strategies for the division's five year plan.

My extensive background in the field also includes implementing Total Quality Management concepts, dealing with offices in 67 countries throughout the world and developing an effective team of 173 employees. I believe that with my proven accomplishments, innate organizational skills, excellent interpersonal communication and team building abilities, I will make a valuable contribution as a senior executive with your organization. I would appreciate the opportunity to discuss my qualifications at your earliest convenience.

Thank you for your time and consideration. I look forward to meeting with you.

Respectfully,

Helen Lane
